Dear Julie,

Thank you for this list. It is very helpful. I am meeting with my district court supervisors tomorrow and I would like to get their input about how we can manage this, before making any recommendations. After that meeting, I will have a better idea. Can we discuss on Thursday or Friday, before our Monday meeting? I would appreciate it.

Thank you,

Christina Miller

Hi Christina,
As a follow-up to our discussion on a single point of contact for expedited testing, I understand that Suffolk County is larger than most and would have difficulty naming just one person. Can we work together to identify a few ADAs with the authority to request expedited tests? Please see the list below, so that you can better understand the number of requests that we receive. Please give me a call at 617.983.6651, so that we can discuss.
Thanks, Julie Nassif

Subject: Suffolk County

I have taken a look at the overall expedited request numbers for the past approximately 30 days. Without counting exact numbers for each county as that would be tedious, I would estimate that Suffolk County comprises 80% if not more of the sum total of requests. Naturally, a large number of submissions to the lab come from Suffolk County to begin with, but if we had 300 overall samples requested for expedited analysis then Suffolk County accounts for at least 240 of those. However, here is the challenge....we have received faxes from the following ADA's, all from Suffolk County in the past 30 days or so:

| | |
|-------------------|---|
| Kate Ferguson | *Kristi Crawford |
| David Givskud | Melissa Brooks |
| *Patrick Driscoll | Caren Donovan |
| David Jaffe | Megan O'Rourke |
| Marjorie Pauleon | *Jennifer O'Keefe |
| Adam Foss | *Vincent Demore |
| Glen Tagliamonte | Montez Haywood |
| Ellen Bisson | Yaw Gyebi |
| *Dana Pierce | Scott Niemisto |
| Caitlin Campbell | Maryrose Anthes |
| Christian Young | Kevin Cloutier |
| Kelly Viana | Julie Higgins |
| *Alix O'Connell | Jonathan Wellemeyer, student prosecutor |
| *Christine Corda | David Bradley |
| Charles Rourke | Matt Feeney |
| *Larry Bates | *Nicole Bonasera |
| *Brian Fahy | *Lynn Feigenbaum |
| Thomas Costello | Kevin Satel |
| *Jeremy Bucci | *Arianna Kelly |
| *Jessica Tripp | Susan Terrey |
| John Seed | |
| Brendan Murphy | |
| Michelle Kalowski | |
| Darcy Jordan | |
| Benjamin Megrian | |
| Stacie Moeser | |
| Sarah Stancato | |
| Craig Iannini | |

Boston Municipal Court seems to have a high number of requests. Those with an * next to their name have made 3 or more requests for different cases. Sometimes ADA's fax multiple requests for the same case which I did not account for here. The requests are wide ranging, from trafficking cases to small marijuana cases.

Let me know what else you need. I have phone numbers if you need them.
